To Whom It May Concern,

I am writing to recommend Marwah Al-Helali for her performance in my Software Engineering Fundamentals class. I believe she has the potential to succeed in her future endeavors, she has shown a solid understanding of the subject matter and has demonstrated a positive attitude towards learning.

Best regards,

KHAIRI SHAZWAN BIN DOLLMAT
Lecturer
Faculty of Computing and Informatics
Multimedia University
Persiaran Multimedia, 63100, Cyberjaya
